Observance of Thanksgiving
- December 25, 2012**
Observance of Christmas

The Oceola Township Clerk’s department welcomed 2012 with the task of running four elections, and with that we would like to share some important changes. All registered voters in the township should have already received new voter ID cards due to the fact that after the Census your State Representative district was changed. The old district was 066, the new district is 047. **Precinct #2** has moved from the Township Hall to the Banquet Center at Chemung Hills Golf Course for ALL future Elections. This change will alleviate parking congestion and polling place space. This change will also be printed on your new voter identification cards (for **Precinct #2** voters).

*Future elections for 2012 are on August 7th, and November 6th.
 Visit our website www.oceolatwp.org for additional information
 related to upcoming elections.*

*The Oceola Township website will have a new look
 in the future.....stay tuned.*

ABSENT VOTER INFORMATION

Absent Voter Applications were sent on June 6th, 2012. These applications are a dual application for both the August and November elections. If you did not receive an application and would like to vote an absentee ballot please contact our office via email: clerkmclean@oceolatwp.org or phone us at your convenience during our normal business hours: T, W, F 9:00 a.m. to 5:00 p.m. to arrange for an absentee ballot. Ballots for the August 7th Primary are expected in our office no later than June 23, 2012.

Thank you for voting!

CHEMUNG HILLS

Construction has started on an additional parking lot at Chemung Hills Golf Course and Banquet Center. This is needed due to the greatly increased use of the course and clubhouse. Funds for this project are coming from the facility's revenue. Management is exceeding our revenue projections and we are receiving excellent reports on the condition and operation of the facility.

There has not been any money from taxes spent for or on the facility and we intend to maintain that position.

NEW OCEOLA RESTAURANT

A Tim Horton restaurant has been approved to open in the USA 2 GO corner of M-59 and Latson Road. Site work and interior build-out will start soon.

ROAD MILLAGE AT WORK

The Township is paying for the rebuilding of Clyde Road between Mack and Argentine Roads. The project will include an asphalt surface. Work has started and should conclude before Fall 2012. The project will be paid for from the Road Millage Fund and the General Fund.

New for residents - Oceola Township now has a paper recycling bin located in the south parking lot for recycling newspapers, magazines, office papers, school papers, mail and catalogs.
