Recreation Passport Grant

We are still waiting to hear if we will receive the Recreation Passport Grant we have applied to the State for. Hopefully we can start building the park amenities it will fund soon.

Enbridge Grant

We are applying for a \$25,000 grant offered by Enbridge Pipeline. If we are awarded the grant we are looking at adding paved walking trails/bike paths to the Township hall park.

Land Acquisition

We have started to sell land we acquired at tax sale. The result of those sales will leave our Township Bond accounts in a very strong financial position and will insure that there is not a drain on General Township funds.

M-59/ Highland Road

MDOT will be adding a center turn lane to M-59 at Hacker Road during the 2014 construction season.

Chemung Hills

We continue to improve the golf course and banquet center and the use level is increasing.

Road Millage at Work

This year we worked with the County Road Commission to rebuild part of Kellogg and Fisher roads along with the continuation of dust control on all our gravel roads. These improvements were paid for out of the Road Millage fund.

TRASH DAY MAY 3RD, 2014

Oceola Township will hold its 2014 large item Trash Day on May 3rd, at the Oceola Township Hall from 9:00 a.m. until 1:00 p.m. Please call the office during regular business hours or check the website for a list of items you may bring.

We Recycle!

Recycle Livingston

There is a paper recycling bin located in the south parking lot at the Oceola Township Hall for recycling paper products, such as newspapers, magazines, office papers, school papers, mail and catalogs. The bin is open twenty-four hours a day, seven days a week.

Recycle Livingston, the only non-profit recycling center serving the residents of Livingston County and committed to reducing the flow of solid waste to local landfills, would like your help. Only about 16% of solid waste materials are currently recycled in Michigan. To help increase that percentage Recycle Livingston provides accessible and affordable recycling for all County residents. Annual membership is just \$27 for a regular household and only \$22 for a senior household. Small businesses can join for \$87 a year. We also offer free memberships in exchange for volunteer hours to ensure all County residents, regardless of their economic situation, have access to recycling services. But many County residents still don't know we exist.

Weather permitting Recycle Livingston is open on Wednesdays from 11:00am-5:30pm and Saturdays from 9:00am-1:00pm. For additional information visit our website: www.recyclelivingston.org Or call [517-548-4439](tel:517-548-4439)
