ESCROW ACCOUNT AGREEMENT

Engineering Services

COMPANY NAME: _____

DEVELOPMENT/PROJECT NAME: _____

A \$ _____ Escrow amount is due to Oceola Township for Engineering Services to be performed that may include but is not limited to infrastructure inspections and services (road, storm sewer, etc.). Additional sums may be required to replenish the escrow account.

The above stated sum is required to replenish the escrow account for the above development/project and will be deposited to the established escrow account for associated engineering costs incurred or billed to Oceola Township as related to said development/project.

The above escrow amount is in addition to all application fees per Oceola Township Fee Schedule.

APPLICANT WILL BE BILLED TO REPLENISH THE ESCROW ACCOUNT, AS NECESSARY, AND AGREES TO BE RESPONSIBLE FOR ANY ADDITIONAL FEES.
